

10.2 Admissions

At Woodlands Pre-school we accept all children regardless of race, gender, religious beliefs, intellectual or physical ability, social or cultural background and address.

Our aim is to allow the maximum number of children to access their funded places and we offer flexible options to support parents to access employment or training.

- Parents may apply at any time for a place for their child. A £10 refundable deposit is requested for any child new to the setting. Parents are invited to visit with their child before the child starts.
- Woodlands Pre-school will set a deadline date by which applications should be received each term in order to be considered in line with all other applicants.
- All parents applying for a place will be given a copy of the admissions policy, asked to complete a standard application form and informed of the deadline for submission of their application.
- Those parents eligible for the 15+ hours funding will also be asked for their 11 digit code. Where there are more applications than spaces, all applications received by the deadline will be considered using the Oversubscription Criteria.
- Applications submitted after the deadline will only be considered if there are spaces available. If a space is not available the application will be considered at the deadline for the following term.

Attendance at Woodlands Pre-school does not guarantee a place at any specific primary school.

Funded hours may be shared between one or more providers but these providers need to know how many hours the child is accessing at each setting. In the event of a child using their 30 hours at more than one setting, the parents will choose which setting claims for the 15+ hours.

Woodlands will share record keeping and assessments with other settings to ensure good continuity of care and education for the child.

Funded Places

3 & 4 year olds – 15 hours/30 hours

- All children are eligible to access their funded 15 hours per week places from the start of the term following their third birthday.
- Some parents will be able to access 30 funded hours for their 3/4 year old – visit www.childcarechoices.gov.uk for guidance and information.
- Once eligible, subject to availability of a place, children can start at the beginning of, or during any of the three school terms.

2 year olds – 15 hours

- Some children are eligible for 15 hours per week funding from the term following their second birthday. Please visit www.suffolk.gov.uk/two to see if your child is eligible.

At Woodlands Pre-school we offer flexibility for the number of funded hours taken each week.

- Funded hours can be taken between 3 and 15 hours per week (or 30 hours depending on eligibility) based on parental choice and availability of sessions.
- A child can increase the number of hours per week that they access each term if the parent feels their child is not ready to access 15 hours per week immediately (subject to session availability).
- All hours claimed each term must be attended.

At Woodlands Pre-school we run sessions for 51 weeks of the year. The funded hours can also be stretched to accommodate the school holidays or be taken during term time only, depending on parental choice and availability.

Children:-

- Can access provision at different times on different days between 8am and 6pm
- Will not be able to start or finish during the session times of 9-12 and 12-3 as this will disrupt the other children.

Lunch Club

- A lunch club will run every day from 12noon – 1pm.
- If this falls outside of your child's funded hours your child can stay for this at a cost of £4.50.(For example if your child receives their funded hours Mon-Fri 9am-12 noon they can stay to lunch club until 1pm on any of these days at a cost of £4.50/day.)
- A packed lunch will need to be provided by the parent.
- The lunch club hour can be taken as a funded hours.

Allocation of Places

- If, at the application deadline date, there are more places available than there are applications then all children will be offered a place.
- Subsequent applicants will be offered places until the provision is full.
- Once full, applicants will be placed on a waiting list and places allocated in accordance with our oversubscription criteria.

The following is the order of priority in which applications will be considered if we are oversubscribed.
